retirement.*

We believe retirement is a chance to put yourself first. Because you've worked hard your whole life. You might've raised a couple of kids, battled the mortgage, travelled the world, had (or still have) a fulfilling career and you've no doubt made some amazing memories. It's now time to enjoy life at your own pace – why not do it in a beautiful, modern and secure home, surrounded by like-minded people who care?

Whether that's sport, travel, leisure or volunteering, Lynmore Rise is a safe and secure haven you'll always look forward to coming home to.

Lynmore's location offers you freedom; to walk to local amenities or go further using public transport. And lifestyle; the ability to explore within and beyond Rotorua. It's a city with so much going on that you don't need to stray far, but if travelling is your thing then, there's an airport nearby and highways leading to the next adventure.

The Location

Located in one of Rotorua's most valuable suburbs, Lynmore. Lynmore Rise offers adventure for active retirees, with beautiful lakes and the popular Redwoods Forest just beyond your doorstep. If you enjoy a round of golf, you'll find the Rotorua Golf Club a short 5 minute drive away. The variety of leisure activities on offer surrounding the village is endless.

The superb location of Lynmore offers ease and convenience with the Fresh Choice Supermarket and Motion Entertainment Centre full of activities for the grandchildren, across the road. Or indulge in the local cafes, restaurants and stock up your cupboard at the local Bin Inn.

Land of opportunity

Lynmore Rise is a partnership based on mutual respect for the culturally significant piece of land the village now resides upon. Classic Group has been working alongside Owhatiura South 5 Trustees for a number of years to bring this project to life, with different generations having contributed to the development of the land to create opportunities, nurture a connection with Mother Nature and ultimately leave a legacy.

Like all good things in life, Lynmore Rise hasn't been rushed. Every element of the development has been carefully considered to ensure it not only meets and honours, but exceeds, its promises.

Lynmore Rise is a joint venture between Classic Group and the Owhatiura South 5 Incorporation Trust.
